

2025 MMTA Wheels for Work & Play Free Bike Application

The Wheels for Work & Play Free Bike Program provides new bicycles to youth and adults in Hurricane and the surrounding areas. MMTA hopes this gives the recipients a reliable, economic, and easy method of transportation for those in need. One Aventon E-bike and one Specialized Rockhopper per year will be donated to an adult and/or youth. (Bikes brands/models are subject to availability and may vary.) Our annual goal is to choose someone in need of transportation for work/school and someone in need of a bike for recreational purposes.
